PROFESSIONAL SUMMARY

Performance marketer who makes the ad and manages the advertising budget for it. Several years of taking photos and videos, now putting that creativity to work inside paid campaigns on Google Ads and Meta. Google Ads Search, Google Analytics certified and Meta Blueprint trained. I'm looking for a paid media position where handling both the campaign and the creative is an advantage rather than a bonus.

CORE SKILLS & TOOLS

Analytics & Paid: Google Analytics 4 (GA4), Google Ads, Meta Business Suite (Facebook & Instagram Ads), and Hootsuite.

Creative Production: Photography (portrait, product, and event), Videography, Video Editing, short-form content (Reels, vlogs, and B-roll), Adobe Premiere Pro, Photoshop, Lightroom, After Effects, and Canva.

Marketing: Campaign Management, Social Media Marketing, Content Strategy & Creation, Brand Management, and SEO (on-page & off-page).

LIVE PAID CAMPAIGNS

Meta Ads Campaign - Self-Funded | Instagram & Facebook (Meta Ads Manager) 2026

• Instead of boosting the post, I set up the objective and the target audience and optimised it in the Meta Ads Manager.

• 3506 profile visits across 77,827 impressions for spending of just ₹1270 at ₹0.36 Cost Per Result (CPR).

• Female audiences converted significantly more than the male audience by ₹0.33 vs ₹0.39. Case Study

Google Ads Search Campaign - Self-Funded | Google Ads 2026

• Across 813 impressions for 118 clicks (conversions), the total spent was around ₹1702. An average Cost Per Click of ₹14.43 (CPC) and a 14.5% Click Through Rate (CTR) were achieved, which is well above the 3-5% industry benchmark. For the Google Ads running for 6 days at ₹280 per day.

• With all the Keywords research done independently, “Photographer near me“ got the highest Click Through Rate (CTR) of 30.30%. Case Study

GA4 & Looker Studio Reporting Dashboard 2026

• Built the GA4 dashboard in Looker Studio, with a matching portfolio website design. It also connects to live traffic data to prove real-time performance rather than a static reporting view dashboard.
